RFP for CCTV Based Surveillance System at Patna on rental model.

CHAPTER 1. INFORMATION :

1.1 GENERAL INSTRUCTIONS

Bihar State Electronics Development Corporation (BSEDC) on behalf of Govt of Bihar intends to set up IP based CCTV surveillance system at **236** selected locations (ref. Annexure-C) of Patna on rental model. The set up is required on the eve of closing of 350th Anniversary of Sri Guru Gobind Singh Ji Maharaj.

The invitation to the bid is for "Supply, Installation, Commissioning and maintenance of IP based CCTV Surveillance System at Patna on rental model" for a period of one month i.e., **from 16/12/2017 to 15/01/2018** which may be extended by the department, if required. Submission of bids shall be deemed to have been done after careful study and examination of the RFP document with full understanding of its implications. This section provides general information about the Issuer, important dates and addresses and the overall eligibility criteria for the bidders.

ISSUER

Bihar State Electronics Development Corporation Ltd. (herein after referred to as BSEDC) an undertaking of Department of Information Technology, Govt. of Bihar, invites proposals from leading agencies in the IT Industry for the aforesaid requirement.

CONTACT PERSON

Managing Director,
Bihar State Electronics Development Corporation Limited, BELTRON
Bhawan, Shastri Nagar,
Bailey Road, Patna 800 023, Bihar

PROCUREMENT OF RFP DOCUMENT

The RFP document can be downloaded from the website www.eproc.bihar.gov.in. The cost of tender document is Rs. 5000/- (Rupees Five Thousand Only) which is non-refundable. This fee shall be paid only through e-payment else the bid will summarily be rejected.

1.2 Project background

This project has been developed to keep the close monitoring of the activities near the locations identified by Patna Police. There will be three cluster set up and so the feed of the cameras placed in a cluster will be monitored from its cluster monitoring centre only.

The list of location identified by Patna Police for deployment of cameras with respective cluster detail is attached as **Annexure C**.

1.3 SYSTEM OBJECTIVE

- a) The Project envisages implementation of Video Surveillance system for:
 - i. Law & Order,
 - ii. Special events like public gatherings etc.
 - iii. Crime Control,
 - iv. Unauthorised Access Control, etc.

- b) System should be scalable and provide enhanced functionality and services as an when required in future (Scalability and Expandability)

RFP for CCTV Based Surveillance System at Patna on rental model.

1.4 The system should broadly aim at the following minimum capabilities:

- a) Providing high-quality video images on real-time basis from distant security cameras.
- b) Establishing Central Control Room in each cluster to continuously monitor, analyse and take action as required by coordinating all responses.

For this purpose only, BSEDC (The State Nodal agency) has conceptualized the project for supply, installation, commissioning and maintenance of CCTV Surveillance System on rental model.

1.5 DETAILED SCOPE OF WORK

The responsibility of the selected bidder will be at least but not limited to the facts mentioned below:-

- a) Co-ordination with different stakeholders of the project and addressing different issues.
- b) Nominate the project manager, who will be the single point of contact from the side of successful bidder, just after placement of Lol.
- c) Supply, installation, commissioning and maintenance of required material for establishment of wired end to end network and electrical connectivity of all the camera locations under this RFP to the control room according to above mentioned concept.
- d) Supply and installation of all required active as well as passive equipment/ material/ accessories (whether part of bill of material mentioned in this RFP or not) required for installation of the CCTV surveillance system. BSEDC will not be responsible for any additional payment against the same.
- e) Configuring and fine-tuning of subsystems to achieve overall optimal network performance with high-level physical & cyber security.
- f) Perform the activities in the hours permitted by the concerned authority.
- g) The selected bidder shall be responsible to preserve feed of the cameras in this duration and will make available the feed to Patna Police as and when required in that duration. The hardware (i.e. recording media) for the same will be provided by Patna Police.

1.6 FACILITATION BY ADMINISTRATION/POLICE/BSEDC Ltd.

- a) A properly finished & furnished Control room of adequate size will be provided in each cluster monitoring centre, by the district administration/district police. The IT as well as UPS activities at control room will be done by the selected bidders only.
- b) The permission to work at the locations will be provided by the district administration.
- c) The permission for mounting of cameras on any of the existing infrastructure will be provided by the district administration/district police.

RFP for CCTV Based Surveillance System at Patna on rental model.

- d) The physical security of the entire system, during project execution will be the responsibility of the district administration/district police.
- e) The physical security of the entire system after execution will also be the responsibility of the district administration/district police.
- f) The monitoring of the entire system will be the responsibility of the district administration/district police.
- g) A nodal officer for day-to-day co-ordination will be nominated by the district administration/district police.

CHAPTER 2 : GENERAL MANDATORY TERMS AND CONDITIONS

One Lakh Fifty Thousand only) by e-payment/Demand Draft (DD) / Bank Guarantee from a Scheduled Bank drawn in favour of **“B.S.E.D.C Ltd., Payable at Patna”** with 180 days validity from the date of bid submission should be enclosed with the Technical bid. The EMD will be returned back to the unsuccessful bidder. The EMD of successful bidder will be kept and considered as performance guarantee.

2.5 DETAILS TO BE FURNISHED AND MODE OF PRESENTATION

- a) The bid document should contain particulars like name and addresses of the bidder, cost including all taxes and other levies applicable for delivery.
- b) The tender quote should be valid for a period of 180 days from the date of opening of the Commercial Bid of the Tender.
- c) The quote for each item with make, model and specifications should be indicated in bid.
- d) Technical specifications and Brochures for each item quoted should be enclosed in the Technical Bid.
- e) Submission of any additional documents will not be entertained after tender opening unless required by the purchaser. The website will not accept any document after closure of submission schedule.
- f) Against each line item of the BoQ, only one make product is allowed to be quoted. The bid of bidder quoting optional make for any line item will summarily be rejected.

2.6 OPENING OF TENDER

The tenders received on the date and time specified in the tender document will be opened by the Committee members of BSEDC Ltd. On the website www.eproc.bihar.gov.in can be seen by the authorized bidders who hold the digital signature on behalf of their companies.

RFP for CCTV Based Surveillance System at Patna on rental model.

The Technical bids of bidders, which are correct and qualified in all respects, will be evaluated and those who qualify on the basis of technical bid will be informed through the decision on the website the, date and time of opening of their commercial bids. The Commercial bids of the technically qualified bidders will be opened. The decision of the Managing Director, BSEDC Ltd shall be final in this regard.

2.7 TECHNICAL EVALUATION FOR EQUIPMENT AND ACCESSORIES

If required other than the evaluation through the documents submitted, the bidder should make all necessary arrangements for technical evaluation of Surveillance System with related equipment and accessories including all the possible samples quoted in the tender document. The evaluation will be conducted by the BSEDC evaluation team. Non-compliance will summarily be rejected. The cost of the same will be borne by the bidder only.

OR

the bidder can show at least one running Surveillance System with quoted type equipment/system installed by them anywhere in India. The evaluation will be conducted by the BSEDC evaluation team at the site of earlier commissioned project by the firm. Non-compliance will be summarily rejected. The cost of the same will be borne by the bidder only.

Forfeiture of Earnest Money Deposit:

If the successful bidder fails to act according to tender conditions in any aspect or backs out after the tender was accepted, the EMD will be forfeited by BSEDC limited.

2.8 REJECTION CRITERIA

- i. Tender should be submitted in line with the official tender document sold by BSEDC limited. Tender document sold to one person / firm cannot be used by any other person / firm.
- ii. Tenders submitted without furnishing any of the required details specified in **Annexure-A** will summarily be rejected.
- iii. Tenders should be submitted with digitally signed document and seal of the bidder in the tender document and also in the Technical and Commercial e-forms in separate schedules. The Tenders received without being duly certified by the bidder for fully accepting the terms and conditions of the tender and for abiding by the rules laid down, will summarily be rejected.
- iv. The tenders submitted without EMD and tender document fee will summarily be rejected. No exemption from submission of EMD is allowed.
- v. Tenders submitted without the specification for each item quoted or compliance statement in the technical bid will summarily be rejected.
- vi. Tenders with incomplete information, subjective and conditional offers/bidder's own terms & conditions including partial offers will be liable for rejection.

RFP for CCTV Based Surveillance System at Patna on rental model.

- vii. Tenders submitted without audited financial statements for the previous 2 years along with IT returns copy, will summarily be rejected.
- viii. The Tenders submitted with incomplete details against the required specifications in Technical bid will summarily be rejected.
- ix. In addition to the above rejection criteria, non-compliance in any aspect of this tender document will make the tender liable for rejection.

2.9 SPECIAL TERMS

BSEDCL reserves the right to further negotiate with the successful L-1 bidder for reduction in quoted rates as per decision of the appropriate authority or deemed fit by BSEDC and demand additional declaration (if-any) from bidder to confirm the supplies to be in compliance with the tender specifications. BSEDC reserves the right to alter the quantity of material and extend the duration of services to the extent it feels necessary under such conditions as felt deemed fit by the appropriate authority. In case of such increase in quantity of material or extension of service period, BSEDC agrees to suitably compensate the vendor on pro-rata basis.

2.10 ACCEPTANCE OF TENDER AND WITHDRAWALS

- a) The final acceptance of tender is entirely vested with Managing Director, BSEDC limited, GoB, who reserves the right to accept or reject the tenders without assigning any reason. There is no obligation on the part the Department to communicate with the rejected bidders. After acceptance of the Tender terms, the bidder shall have no right to withdraw his Tender or claim higher price.
- b) The tender accepting authority may also reject the tenders for reasons such as changes in the scope of procurement with advanced technology equipment, lack of anticipated financial resources, court orders, accidents or calamities and other unforeseen circumstances.

2.11 PRE DISPATCH INSPECTION

BSEDC, at its discretion, may ask the bidder to make arrangements for Technical evaluation by the technical team of the department for all the equipment, at factory site or at the bidder's warehouse prior to dispatch.

2.12 SUPPLY, INSTALLATION AND COMMISSIONING

- a) The Supply of equipment including all accessories should be as per the specifications mentioned in the tender document.
- b) The equipment and its related accessories should be supplied, installed and commissioned at stated locations.

RFP for CCTV Based Surveillance System at Patna on rental model.

- c) Bidder shall be responsible for commissioning the project with the concurrence and co-ordination of the liaison officer of the police department for the implementation of project at respective sites during installation.
- d) All relevant documents such as operation and user manuals, schematic and circuit diagram, service manual including trouble shooting shall be supplied by the Bidder for each equipment at free of cost.
- e) If the supply, installation and commissioning of the equipment are not completed as specified in Annexure-A from the date of issue of Lol, the user Department shall have the right to cancel the order and also take any such action which will be deemed fit according to the circumstances.

2.13 PROJECT DEMONSTRATION

The successful bidder will have to demonstrate the complete installation (100% location) to Police department latest by **10/12/2017**. Post demonstration, the solution will be under observation and the acceptance will start from **14/12/2017**. The set up is required for a period of one month from **16/12/2017 to 15/01/2018 on rent only**.

RFP for CCTV Based Surveillance System at Patna on rental model.

2.14 PAYMENT TERMS

SL. NO.	PERCENTAGE (%) OF PAYMENT	CONDITION/EVENT
01	0%	NO ADVANCE PAYMENT SHALL BE MADE
